DEBRA R. HACKETT, CLK  
CLERK OF DISTRICT COURT  
MONTGOMERY, ALA

I come in the Name OF Jesus →  
Dear Honorable Judge Thompson,  
I pray this letter finds you in the best of Health! Will you please take a little time out of your busy Schedule to read my letter it's very important you do so.

Thank You God Bless You.

I need a second Chance Your Honor.  
I promise not to mess up, I have learned  
my lesson I need a blessing.

Your Honorable the prison making it difficult for me to receive my recent medical Records to send to the courts. Can you Subeno them I give permission.

Also Do you need my Children Records?

"State Of Emergency) 2-16-20

Dear Honorable Judge Myron H Thompson,

I Bernetta L. Willis Case # 3:19-cv-651 and 3:06-00071, is writing you pleading you to have mercy & compassion to release me. Due to i just found out my Oldest Child Mercedes B McQueen has Serious illness, Crohn's Disease, IBS Irritable Bowels Syndrome and Ulcerative Colitis after having a Colonoscopy,  
"My heart Broken"

Judge Thompson, My Child Mercedes has been through so much by herself Since my incarceration, She was only turning 12 years old when i left, now She's 25, She has been Sexually abused by family members, I just recently found out all the harship my Children went through After receiving a Copy of the Letter my Children wrote you. Mercedes has been on her own since i left her She need's me, I've researched these illness my child is suffering from and She has NO ONE No Family to help her this Crohn's and IBS She need's Guidance It Could be Fatal!!

Lord Knows I Can not handle this  
I Would take my life Judge Thompson  
Son if anything Fatal happen.

It's time to let me be there to help  
my child, I suffered enough already  
and they have suffered the most  
Because When Judge Fuller Sentenced  
me he didn't only punish me he  
punished my children. My son just lost  
a child yesterday 2-15-20. Eddie McQueen.  
My children hardship and the fact that  
they have no family support, they  
are in dire need of their mother

I pray she don't catch cancer I'm scared  
now we have to get mammograms.

Also I went to Pickens Hospital last  
month and January 13th 2020 and I  
had mammograms & Ultra Sound and  
found out that I have three cysts  
in my right breast and two cysts  
in my left breast, I told you my  
mother had breast and spreaded  
cancer all over her body. Honorable  
Judge Thompson please have mercy  
and compassion on my children and  
my behalf. Immediately relief please
